Enrolment page:

A screenshot of the 'Moore PTC Subjects' enrolment page. The page title is 'Moore PTC Subjects'. Below it, a description says 'Choose individual Moore PTC subjects to enrol in or purchase notes for. You can search by title, description, or subject code.' There is a 'Filter Subjects' section with several dropdown menus: 'D2', 'All Levels', 'Online or Offline', 'All subjects', and 'All Languages'. A 'Clear Filters' button is on the right. Below the filters, it says 'Showing 1 matching unit'. The main content area is titled 'Level 2 Core Subjects' and contains a card for 'Doctrine 2: Christ & His Work' with a 'Level 2' tag and a 'Group unit' tag. The card description says 'Christ and His work focuses on what we know about the identity of Christ and what he accomplished, especially on the cross. This includes introducing students to theological approaches to understanding how Christ's humanity relates to his divinity, showing how understanding this is important for understanding what Christ did in his death and resurrection. Included in the investigation of the cross is an examination of the nature and effects of sin.' Below the description, there are three options: 'Subject enrolment: \$50 (includes online exam)' (pre-checked), 'Printed notes: \$25 \$20 with enrolment (postage not included)', and 'Paper exam: \$20 — Only add this if unable to complete the online exam (Australian shipping included)'.
